

popular Varieties of Apples

Fuji

Appearance: Striped red/pink over yellow-green

Flavor: Exceptionally sweet and crisp; hints of honey and citrus

Best For: Fresh snacking, fruit salads, cheese pairings

Golden Delicious

Appearance: Golden-yellow skin, white flesh

Flavor: Sweet, mellow, soft texture

Best For: Fresh eating, salads, baking, sauces

Red Delicious

Appearance: Signature red color

Flavor: Mild, slightly sweet, high water content

Best For: Fresh snacking, salads, lunchboxes

Gala

Appearance: Red and yellow striped, yellow flesh

Flavor: Very sweet, mild, juicy, crisp

Best For: Fresh snacking, salads, sliced with nut butter

McIntosh

Appearance: Red and green skin, white flesh

Flavor: Sugary sweet with balanced acidity; soft texture

Best For: Applesauce, sauces, stuffing

Honeycrisp™

Appearance: Red with yellow undertones

Flavor: Balanced sweet-tart; exceptionally crisp

Best For: All-purpose—fresh eating, baking, savory dishes

Empire

Appearance: Red with creamy white flesh

Flavor: Sweet-tart; crisp and crunchy

Best For: Pies, apple crisps, chips, salads, sauces

Jazz™ (Scifresh)

Appearance: Mottled red/orange over yellow

Flavor: Sweet-sharp; floral with fruity, pear-like notes

Best For: Cobblers, crumbles, stuffing

Pink Lady® (Cripps Pink)

Appearance: Blush-pink with green/yellow undertones

Flavor: Mostly sweet with slight tang; crisp

Best For: Pies, savory soups, fresh eating

Granny Smith

Appearance: Bright green skin

Flavor: Distinctly tart; firm and crisp

Best For: Pies, tarts, baking, savory dishes
