Activities & Ideas

- Pick a theme:
 - Family favorites – have each family member pick their favorite movie, then take turns watching everyone's top picks.
 - Favorite series – watch all the episodes of your favorite series in order.
 - Favorite genre or theme – pick a specific category like Disney, BBC classics, racing movies, superheroes, or westerns.
 - Favorite era(s) – watch a movie from each era, or mix in some classics with newer films.
- Have costumes or decorations for the different movies/themes (e.g. for a pirate movie theme, have everyone decorate a treasure map, or wear pirate hat).
- Use a white sheet and a projector for a "big screen" experience; set up seats outdoors for a fun twist.
- Have an "intermission" to break up the couch time with themed games, meals, and activities.
- Test your movie knowledge with a quiz or trivia game. Pick out key quotes or scenes from your favorite movies and see who can remember the details.
- Split up into teams and have each group produce a short film. Then host a film festival and watch each one back-to-back. Vote on your favorite elements of each (e.g. plot, cinematography, acting) and present awards to each family member for their role.

Money-Saving Tip

An average trip to the movie theater for a family of four can cost around \$70.

Save money by watching in your own home.

Just make sure to have refreshments!
